To the Directors of CNEWA Canada

The accompanying summary financial statements of CNEWA Canada, which comprise the summary statement of financial position as at December 31, 2014, the summary statement of operations for the year then ended, and related notes, are derived from the audited financial statements prepared in accordance with Canadian accounting standards for not-for-profit organizations, of CNEWA Canada as at and for the year ended December 31, 2014.

We expressed an unmodified audit opinion on those financial statements in our report dated May 1, 2015.

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations applied in the preparation of the audited financial statements of CNEWA Canada. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of CNEWA Canada.

### *Auditors' Responsibility*

### **1. Summary financial statements:**

The summary financial statements are derived from the complete audited financial statements, prepared in accordance with Canadian accounting standards for not-for-profit organizations, as at and for the year ended December 31, 2014.

The preparation of these summary financial statements requires management to determine the information that needs to be reflected in the summary financial statements so that they are consistent, in all material respects, with or represent a fair summary of the audited financial statements.

These summarized financial statements have been prepared by management using the following criteria:

- (a) whether information in the summary financial statements is in agreement with the related information in the complete audited financial statements; and
- (b) whether, in all material respects, the summary financial statements contain the information necessary to avoid distorting or obscuring matters disclosed in the related complete audited financial statements, including the notes thereto.

Management determined that the statements of changes in fund balances and cash flows do not provide additional useful information and, as such, has not included them as part of the summary financial statements.

The complete audited financial statements of CNEWA Canada are available upon request by contacting CNEWA Canada.
